Step into a SPAFRANCE spa, and enter a world of physical and mental well-being. Sink slowly into the deliciously delicate, caressing water.

Embraced in gentle well-being, your tension melts away, your body lets go, your mind is liberated.

You discover a state of complete relaxation.

Remote install kits

Remote installation kits are available to allow installation of the spa pack at a distance from our in-ground and portable spas. These kits comprise 7.5 metres of the various tubes and hoses required to connect the spa pack (blower, heater, ozonator, twospeed pump and massage pumps).

Model comes in 8 shell colours and a choice of 4 wooden surrounds
